GUEST CHAIR

ELY represents this category due to the following reasons:

- Contains a majority of components, which are common to Rouillard Guest side seating
- Has a structural body and material mix that is common among the Guest side series and allows flexibility and interchangeability among components
- Is one of the top Guest side chair sellers.
- In general, our guest side chairs share similar characteristics in terms of appearance, dimensions and material mix . They can be customized by selecting different types of upholstery materials and options. Please refer to our online catalog for all options available .
