AGORA SLIM

The Agora Slim collection offers tables that come in a variety of dimensions and that as workstations, multifunctional tables, and more. Compact in size and technology-enabled, the Agora Slim collection is ideal for small sitting rooms, break rooms, or cafeteria. Not only are the designs, color choices, heights, and widths customizable, but they also come with optional grommets and privacy or modesty panels. In addition, the ingenious extrusion system allows for full customization and can create sleek-looking, minimalist surfaces. It's everything you need to set the right tone in your workspace!
