GEO

The Geo collection's modular system provides unlimited freedom when it comes to designing and creating fun combinations that harmonize unique work environments. These pieces are ideal for areas dedicated to lounging, waiting and hanging out. By linking fully-upholstered angular benches, the Geo line's individual units can easily be moved and re-clipped together. With endless options you'll have total flexibility in choosing a backrest, ottomans of different sizes, additional power ports, and laminated surfaces. With the Geo collection, you can easily arrange, rearrange, and reshape your workplace any way you'd like!
