KOPA

The warmth and versatility of Scandinavian design is the inspiration behind the Kopa chair. Its fluid lines ensure that it will be a stylish and comfortable addition to your shared work, conference or dining areas. The Kopa chair fits in anywhere! Its ergonomic curves provide unparalleled comfort in either wood with upholstered seat or all-wood versions. The laminate or wood options lend themselves to a tone-on-tone combination with the corresponding wood base or to a more neutral look with the metal base. The Kopa chair is where you'll want to sit, whether you're working or taking a break.
