MEDIA FIT

Keep virtual conferencing and sharing areas organized and unobtrusive with Rouillard's Media Fit. With this smart and sleek configuration, the laminate vertical tech wall attaches to a table that can be rectangular, bullet, or trapezoid in shape. Table and screen-supporting walls are available in various heights. The wall is finished on both sides, so it can be free-standing in open office spaces. When floor layouts alter, the adaptable Media Fit is easy to move and eliminates the necessity of attaching the monitor to a fixed wall.
