MIA

The Mia collection offers contemporary and completely business-casual looking plastic chairs. Inspired by refined European sensibility, the Mia collection gives character to training rooms, cafes, and break-out corners. Available with a solid or perforated back, it is easily stackable and easy to clean. Whether you prefer the loop style or without arms, the upholstered seat option will provide you with extra comfort. This collection is also made for bar-height situations and function well as comfortable and supportive stools. The Mia collection, will integrate in any situation decor requiring more uniformity!
