MONOPOD

The Monopod collection is versatile and highly functional. Whether you need a quaint side table in a meeting room, or a table for people to mingle around at a cocktail evening, these sharp-looking tables come in a wide array of heights, widths, styles and shapes (round, rectangular or square), and will suit any of your events. The circle-shaped base gives the Monopod collection a chic, yet modern look and is sturdy enough to support any type of get-together.
