

ORA

Elegance that brings  
people together

## ORA

ORA draws inspiration from residential comfort to reinvent commercial spaces. With its rounded lines, clean design, and enveloping silhouette, it creates a soft, contemporary atmosphere that encourages relaxation and connection. Comprising four poufs, three lounge chairs in various sizes, and three coffee tables in different dimensions, the collection adapts effortlessly to any layout. Versatile and inviting, ORA fits naturally into waiting areas, shared spaces, and corporate lounges.
