PLY

With its minimal design, the Ply collection is pared back to its essence, yet is recognized for its slender, distinctive, vertical cut-out and refined silhouette which gives this chair plenty of personality. Our Ply chairs are stackable and ideal for seating big groups in corporate cafes, common areas, seminar rooms, and at study tables. The all-purpose Ply is available in three heights, so it can unify a space that needs both table chairs and bar or counter stools. The Ply line comes in wood or laminate, both with upholstery options. Not to mention, the fun scoop-style stool may also lend itself well to your workspace. With Rouillard's Pilium Ply collection, you're bound to find comfort, regardless of where you're seated!
