

QUANTUM

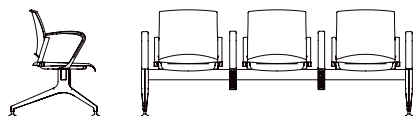

QUANTUM

The Quantum collection is a modular chair system that brings high functionality and clean style to busy waiting areas. Its flexible design includes varied seats, backs, and shelves. The Spyder version has an upholstered seat and backrest, meanwhile the Mia and Dextra versions are made of solid plastic and a choice of plastic or upholstered seating. Easy to clean, Spyder, Mia and Dextra are ideal for institutional and healthcare facilities. Additional options include: power ports, tablets, padded armrests, and seamless floor anchoring levelers. Our Quantum collection is designed to withstand high use in high style.
