

WALY

The New Look of a Safe and Healthy Workplace.

ROUILLARD

WALY On Desk

Protecting your workers and clients is important to you, as is the comfort and style of your workplace. The Waly collection of protective screens with a compact and evolutionary design, offers the best solution.

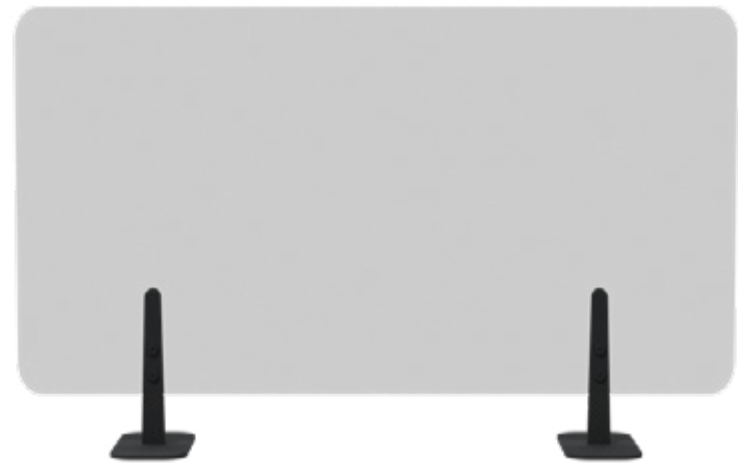

ROUILLARD

Space divider for desk

Available in three widths: 35-1/2", 47-1/2", 60" and in two versions: full or pass through (3/4" space from the surface). The position can be decided upon installation.

ROUILLARD

ROUILLARD

WALY Free-standing

The podium model would fit easily in between four-legged base chair providing enhanced overall protection for users. Its easy-to-assemble minimalist design allows you to quickly set up and move as social distancing rules require to provide protection: conference rooms, waiting rooms, workstations, common areas, reception, or cafeteria, wherever it's needed, Waly does its job discreetly.

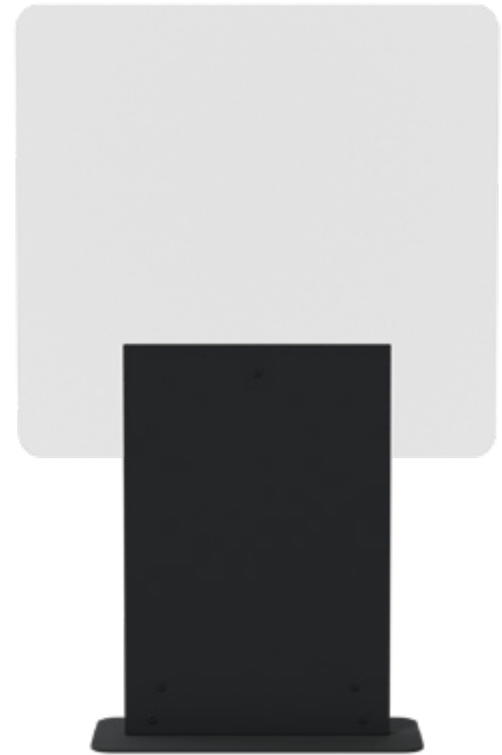

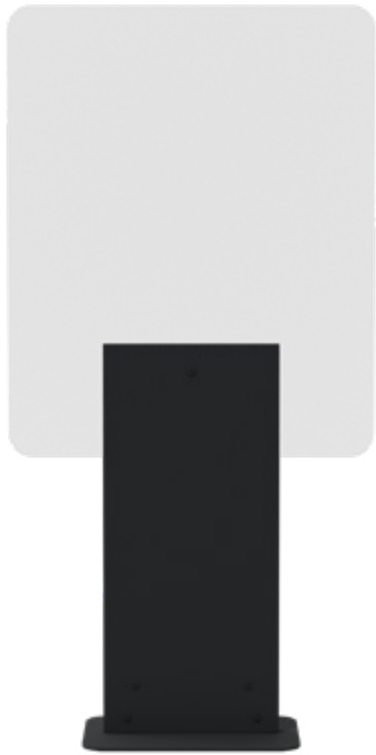

ROUILLARD

Free-standing space divider

Available in two widths: 31-1/2" or 42" and in two versions: centered or off centered. The position can be decided upon installation.

ROUILLARD

ROUILLARD

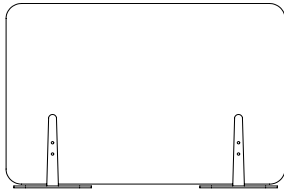

WALY on beam

An easy-to-install divider screen to protect patients or customers without compromising the capacity of your waiting room.

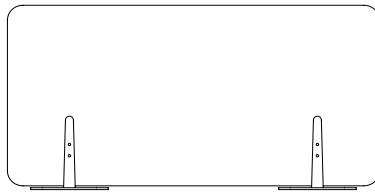

The screen is installed directly on the beam, clearing the aisles for traffic and facilitating the maintenance.
