SPACE DIVIDERS

WISP represents this category due to the following reasons:

- Contains a majority of components, which are common to Rouillard panel dividers.
- Has a structural body and material mix that is common among the panels dividers series and allows flexibility and interchangeability among components
- Is one of the top sellers.
- In general, our panel divider share similar characteristics in terms of appearance, dimensions and material mix . They can be customized by selecting different types of upholstery materials and options. Please refer to our online catalog for all options available .

PRODUCT NAME	PRIMARY CONSTRUCTION TYPE
WALY	Steel, Acrylic, Laminated particule board

Please note, that each product series has different product model codes due to configurability of parts and therefore the total number of products within each series can vary.
