TABLE

ZETTI NALTO represents this category due to the following reasons:

- Contains a majority of components, which are common to Rouillard tables
- Has a structural body and material mix that is common among the tables series and allows flexibility and interchangeability among components
- Is one of the top sellers.
- In general, our tables share similar characteristics in terms of appearance, dimensions and material mix . They can be customized by selecting different types of laminate materials and options. Please refer to our online catalog for all options available .
